“I hope PMC grows in breadth and depth so we can have greater impact and do more good.”

- David Walker, PMC’s new Executive Vice President
A NEW CHEF IN NIGERIA WHO TALKS ABOUT FAMILY PLANNING AND POVERTY

Ephraim Okon grew up in the quiet village of Ikot Akata in Nigeria. His childhood and for all of his country.

In fact, Ephraim’s motto is “Labore est perseverane.” It’s this practicality and dedication to hard

work that has led Ephraim through his life

It’s seen in me. It does not change me from

ASKED WHY BEING CHIEF IS IMPORTANT TO HIM,

Ephraim is bringing his perspective on

Some of the PMC

family planning and poverty to his clan and

Ephraim, now PMC’s country director
drives his decision to be in an advocacy position. PMC’s job is not just to discuss

Our program will drive people to question

themselves about their own behavior and

we want to help them see how

population at the climate talks in Paris.

CLIMATE TALKS IN PARIS: NUMBER OF

Much of this growth is taking place in

A discussion largely missing from climate
talks in Paris, number of people and rights of women and girls.

What happens when you take a popular serial drama and you put it

The Rights of Women and Girls Impact Climate Change

The video focused on the natural world, which you might expect, but

Our population is too controversial or
don’t think population is too controversial or don’t

How do we solve this without stepping

Drama enlightens parents to send their children
to school. Especially females, because when you
eat girl, it's just education the nation

because they lack access to information

to another family for domestic service in exchange for food,

harsh childbirth in the first place. They are
giving their young girls and boys children in exchange for live in the exchanges for

Ephraim, seen new PMC country director

One of two children, his family feared them so much, but

hard work and around impetuous issues will

have become a more noticeable face of

Perth, Australia. This is the official

He suggests that the

if we want to

We choose not to discuss population, and

Much of this growth is taking place in

But in Africa,

providing essential services for citizens.

 PMC NAMES TOP NINE PERCENT, OUTPERFORMING MOST OTHER

Achievements rated by Charity Navigator differentiates PMC from its peers and

The drama enlightens parents to send their children
to school. Especially females, because when you

eat girl, it's just education the nation

because they lack access to information

to another family for domestic service in exchange for food,

per capita GDP and promote the economic

To combat this, we need to

But in Africa,

PMCs’ JOE BISH AWARDED FOR HIS “TOUGH WORK”

“Only nine percent of the charities we rate have received at least four

Out of the 49 countries

Who doesn’t know how

is not a simple number. For years, we

people, there are 220,000 people every day. Each of these
